AN OCTOBER TRAGEDY.

"What is it?" "Who is hart?"

"Anybody been run over?" High above the ceaseless rumble and roar of traffic rose human voices in anxions inquiry, and the dense throng at the intersection of State and Madison grow denser still. It was just before sunset and the mighty heart of Chica-go's business center throbbod with the feverish energy that marked the closing hours of another day of toll and the hurrying homeward of restless eager thousands. The swiftly-moving streams gated, when properly treated as access of humanity that are wont to meet in as the first simptoms appear. This edilying whirls in this disay vertex and then diverge and more onward again, cash is its destined course, had suddeneach is its destined course, had seddenit is Pushed toward the common center by the ever-hurrying throngs afoot, in carriages and in street ears, in another the ever-hurrying throngs afoot, in carriages and in street ears, in carriages and in street ears, in a street ears, in a street ears, in the front door.

"Don't you understand, you allly child" she said, klesing her affections of vice in which theological questions are attered in the pulpit the fogy said: "His an oyster brains?" "Certainly, replied the host; "for an oyster brains?" "Certainly, replied the host; "for an oyster brains?" "Carriages and in street ears, "And the kind old lady returned to pacify a justly indignant widow; while kins Oukley walked home, with a light breaking slowly in on har as dense throng climbed a lampost and from his elevared position surveyed the scene.

"Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly, waving his club, "Give him air," he should stornly and received.

was not atrange, however, that the public were puzzled when Maud Oakley had had to confess to Miss Grayson Burgiars broke one night this the workshop of a dyer in Keslin, and had got together a pretty large sized pack-size of raluable dye-stuffs when the dyer, awakened by the noise, appeared "Geraldine has Dr. Coverdale," said Mand. "She would be quite happy with him." "Quite so," said Miss Grayson. "It never rains but it pours."

Mand wondered whether it had ever 'poured' with autiors in Miss Grayson. "Stand, or I fire!" they both jumped into a vat which they both jumped into a vat which they shought empty, but which was filled with nome color liquid. Standing in the bine bath, they both cried for merey. The dyer, however, took aim, and they ducked under, but soon came up again and earnestly surreated pardon. But the releutiess dyer gave them the benefit of a few extra dipe, and these unued "Boohoo, boohoo, boohoo," oried Miss Grayson, excitedly; and an elderly lady who had selected the precise moment to be aunounced by Miss Grayson, the indigo-dyed secundrels. They are likely to remain men of mark for some time to be aunounced by Miss Grayson, pretty little parlor maid very nearly turned and fied. She came in, however, and her impression that Miss.

love affairs were concerned, and Mand-Oakley had known her since she (Mand, not Miss Graynon) was a baby. deprecatingly. She bad been talking to Mise Grayson for an hour, and had told her sympathetic listener a good deal that was, in the language of the ruigar, "stale news." Mins Grayson was quite aware (all Bunborough might have told her) that Capt Jumpison had quite resently shown a distinct preference for the Oakley family. He dired there whenever he was asked and had won Gen. Oakley's confidence by delicately expressing unbounded be-lief in his stories—not siways an easy task; he had been most attentive to old

fined to those occasions when Gen. and Mrs. Oakley were at home; but there were two Miss Oakleys, and to which of them Capt. Jumpison intended his attentions to be devoted was a quas-tion which Runbarough-by-the-firs.

-A remedy for liver complaint was tried by a weaver in Ascrington, Enhowever, and her impression that Miss Graywou had gone demeated was confirmed by the apparently imbesile laughter with which her greeting was received.

Mand rose to leave, and Miss Graywon, who had recovered her presence of mind sufficiently to inquire after her dinner, recently, an old fogy had mind sufficiently to inquire after her
